Chatrams.

3 There are two Government feeding Chatrams, one at Kadur and the other at Tarikere, for which a —

monthly allowance of Rs 107 8.0
is sanctioned by Government
The other Chatrams for the
maintenance of which Inam
lands have been granted
by Government to the Con-
structors thereof are —

(1) Mt. Muggimakki Mallesaiy a's
Chatram at Harihanpur, Koppa Taluk

(2) Mt. Narasamma's Chatram at
Birur, Kadur Taluk.

(3) Mt. Narasappa's Chatram
at Kirikatur, near Tarikere

No 1 is properly maintained
The building is in good order
and feeding is carried on.

No 2 has not been properly
looked after. The late Mt. Nara-
samma's son has been required
to throw open all the rooms
in the building for the use
of travellers and to complete
the construction of quarters
for other than Brahmins.

No feeding is at present carried
on in it.

No 3. has been appropriated by the son of Mr Narayappa for his own use. He wants to give up the Inam land and make the building his private property. Under orders from Government — he has been informed that the building cannot be allowed to be converted into a dwelling house and must be thrown open to travellers. Considering that the constructor intended it for Charitable purposes, his son cannot be allowed now to divert it for his private purposes.

Hindu Temples

4 The number of Hindu temples enjoying Cash grants from Government is 677; some of which are also Endowed with Inam lands. One thousand one hundred and four temples enjoy Inam Lands alone

These temples are further supported by the proceeds of the Pudvat Endowments made by private persons. The Cash grants and the proceeds of Inam Lands in the case of some Temples are regularly accounted for in the Muzrai accounts, but in the majority of cases of Land Inams, the Pujari or the Vahivatdar is in charge of the lands and no scrutiny is exercised over the Expenditure of the proceeds from them. He is supposed to conduct the Puja in the temple in return for the proceeds of the Inam Lands. This arrangement has opened a wide door for misappropriation on the part of the Pujari or the Vahivatdar.

5 The Cash grants made to temples amount to Rs 754 8.4.0 per annum. They range from Rs 0.6.0 to Rs 2137.13.0

6 The important temples in the District are ——

(1) Sri Kalaseśwara temple at Kalasa with a Cash grant of Rs 2137.13.0 & Inam Lands 3362 12 0
(2) Sri Rishyasringeswara temple at Kigga with do — 69.0 & do 3680 8 0
(3) Sri Ramadevaru temple at Hirimagalur with — do 290 15 3 & do — 175 0 0
(4) Sri Ranganatha swami temple at Sakrepatna with do - 180 3 0 & do — 2.4 0
(5) Sri Ramaswamidevaru temple at Devarmida with do 261 11 0 & do — 25 0 0

7. Jazdik Patils have been received in the case of the first three temples, but not in that of the other two.

7½. The Sri Rishyasringeswara temple at Kigga is endowed with Land Inams of the assessment-value of Rs 3680.8.0 The Cowle-nandi of these Lands for 1902-03 was conducted by me and the records of the temple subjected to a minute Examination.

There is a large arrear of Rs 136442 remaining to be collected on behalf of the temple and proceedings are being taken in the matter.

8 Most of the temples not included in the printed Register of Ready Money Inams are unimportant and belong to Bhutas, Shwdis, etc, in the Mahal which formerly enjoyed small inams in land since converted into Cash grants.

Gopuras allowance to temples.

9. An annual allowance of Rs 9 10.0 is paid to the temples of (1) Sri Kalaseswara Swami at Kalasa in the Mudgere Taluk, and (2) Lakshmikanta Devaru at Devaruru in the Kadur Taluk from Muzrai Funds.

The Sajjade or manager of the Dargah is Mr. Syed Gouse Shakhadre Khan Bahadur, died in September 1901 and has been succeeded by Mr. Syed Mouthyya Shakhadre The succession was recognized in Government Proceedings No 1159 Judg 33-07 dated 24th November 1902.
